

Health advice you can trust 24/7

Now as
easy as  **8-1-1**

HealthLinkBC helps you **learn** about health topics, **check** your symptoms and **find** the health services and resources that you need for healthy living. Dial 8-1-1 to consult with a nurse, pharmacist or dietitian or visit HealthLinkBC.ca for easy access to help you find the health services you need, closest to where you live. Our website has medically-approved information

on over 4,000 health topics and over 2,500 health services in a searchable database, along with reliable information on prescription and over-the-counter drugs through a comprehensive medication library.
